## Declaration

### **Applicant – Please read carefully**

I am aware that acceptance as a member of the Canagagigue Shooting Association does not necessarily assure the acquisition of an Authorization to Transport (ATT).

If accepted, I will attend the compulsory gun safety and basic marksmanship course, as provided by the coaching staff.

I am aware that there is a probationary period of six (6) months for all new members.

I realize that membership in the Canadian Shooting Sports Association is compulsory for all members, and as such, a major portion of my annual dues, goes to this organization.

I understand that if I do not meet the approval of the club executive, or my safe gun handling skills are not viewed by 2 club executives, my membership fee will be refunded (minus the CSSA dues), but not the initiation fee.

I realize the club executive is under no obligation to approve me for issuance of an ATT.

I have read and clearly understand the above statements.
